

Skyline Nov 6th 2018 PTO Meeting:

Secretary's report

Approval of October minutes Approved by: Amy Lau

Seconded by: Jessica Finton

Treasurer's Report: The budget right now is sitting at \$131 over budget. A lot of business partners and family fun nights have contributed to help us stay over budget. There are \$495 unbudgeted funds.

Cash flow statement, non-budgeted items are for the kindness retreat.

Community Liaison Report - last month's Family Dinner night at Chipotle we got back \$360.28. For this month this Thursday Nov 8th Family fun night is at Panera where we will be getting 20% back from all purchases and Sunday the 11th will be at The Mark where we will get \$3.00 back per person.

Principal's report: Mrs Yandall

Safety audit came through and the feedback was very positive. The biggest thing that we can do is to remember that safety is everybody's job. We need to be sure that when we are visiting to please follow the procedures at the door. Even though we know you it is important to follow the guidelines that we have that are in place for everyone's safety.

Conferences - 100% attendance, so thank you to all the parents who were involved and could make that happen.

The biggest thing for school improvement has been that we have been working on PLC, where teachers meet before school and we are talking about the day and the kids and instructions moving forward. INE is a big focus making sure that we are meeting children's growth goals based on MAP scores and being sure to push them forward. We are talking about creating a master schedule for adult support in the building trying to utilize the time all the adults have with the children. WONDERS is the new reading curriculum right now we are trying to work through the program and get that familiarized with everyone.

Halloween parties were amazing, thank you to everyone who was involved. The kids had a great time. Petting zoo was a great success so thank you to everyone who helped make that happen.

Teacher representatives: 3rd Grade teachers are here they stated that in 3rd grade we are working for multiplication licenses. Kids have really grown this last quarter and its been fun to see them start to understand and grasp concepts. We are trying to work through the new reading program which is more skill based and a bit more challenging and they are really having to pay attention to be able to master the concepts.

Committee reports:

Trunk or treat - Stephanie Waggoner mentioned that the turn out was great! We ran out of candy and the kids had a blast.

Classroom Volunteers - Katie Foster reminded everyone to please turn in your receipts for Halloween parties or any other purchases.

Teacher's holiday treats - Amy Hornig and Janelle Dexter Looking at Dec 11th for treat day.

OLD business: Kindness retreat vote. Mrs Yandall proposed that the 4th graders have a kindness retreat in the spring. This retreat is a 5 hr long program that is held by Youth Frontiers that travel down from Minnesota they come in and bring presenters, sing, have activities, and get kids to really think and focus on being kind. PTO would pay for half which would be \$1,447.50. We would do the event one time and depending on the success of it would determine if we continue it as a yearly thing. January 16th is the tentative day

Motion to approve vote: Jessica Finton

All in attendance were in favor.

Motion to close meeting at 7:40 Karen little

Seconded by Kelly Borgman
